Information for Grantseekers

Basic Criteria

Grant Guidelines – Who Should Apply

Applications are only accepted from qualified donees or organizations holding a **Charitable Registration Number** from Canada Revenue Agency effective *before* applying for the grant. The number has the following format: BN 13603 0285 RR0001 (this is the Community Foundation number). **It is the number you receive when you achieve charitable status and which allows you to write official tax receipts.** If the number on your tax receipts is not in this format, look for the correct number at www.cra-arc.gc.ca/tax/charities/menu-e.html and search for online list of Canadian Registered Charities.

ENSURE THAT YOU HAVE A CURRENT GRANT APPLICATION PACKAGE – they are revised on a regular basis. Applications submitted on old forms will NOT be accepted.

When to Apply

Grants are made twice yearly. Proposal **deadlines** are office closing (4:30 p.m.) **March 15th** for grants finalized in spring, and **September 15th** for those finalized in fall. Applications must be at the Community Foundation office by the designated deadline time. Unfortunately late applications can not be accepted.

Normally, grants will be finalized two to three months after the proposal deadlines. Your agency will be notified as to its status at that time.

What We Fund

The Community Foundation awards grants for charitable activities in the arts, education, social services, the environment, health, culture and recreation, or any project that will maintain or improve the quality of life for the people of southeastern Alberta. Of particular interest are initiatives which will strengthen an organization's management capability and promote collaboration and sharing among agencies.

In assessing requests, the Foundation looks at organizations that show fiscal responsibility, have a committed volunteer board, represent the community they service and have the capacity to carry out the work. Applicants must demonstrate how their initiative will benefit the community and how the project will be funded beyond the grant from the Community Foundation. Requests for multiple year funding, up to three years, will be considered to develop or implement strategic initiatives. **The Community Foundation does not provide ongoing funding.**

What We Don't Fund

Grants will not be available for partisan political purposes or direct religious activities. Grants will *not normally* be given for deficit funding, annual funding drives, travel and conferences, endowments grants, retroactive funding, large capital campaigns, or for any related expenses incurred prior to the Foundation's decision date.

Final Reporting and Recognition

- A formal *Grant Agreement* will be signed by each successful applicant.
- There is an expectation that successful applicants will provide appropriate public recognition to the Foundation.

- Successful candidates are expected to provide a representative to attend the grants award ceremony in person.
- A *Final Report* is required from all successful applicants **no later than the date** specified on the *Grant Agreement*. Late or incomplete final reports can affect future grants.

Grant Awards Are Final
